# BUILT BY AN EQUESTRIAN FOR EQUESTRIANS

## MEET THE FOUNDER

My heart is the fullest when I am around horses and it has been this way since I was 7 years old. I still remember my first lesson like it was yesterday. I got on that horse and knew that my life had been forever changed. The equestrian community continues to blow me away and I feel so grateful to have made so many lifelong friends from varying backgrounds in this sport. Horses have the power to connect us no matter race, religion or political beliefs and that to me is one of the most beautiful aspects of this sport. After realizing how diverse yet small the equestrian community is, I started to think: "What if there were an online marketplace, just for equestrians, to buy and sell their old tack, clothing and accessories?" Thus Equestrian Closet was born out of a desire to both make the equestrian lifestyle more affordable but to also connect this community with love for the sport at the center of it all.

*Hannah Klondust*

## STEP INTO HANNAH'S CLOSET

These are some of Hannah's favorite items at the moment. While these exact pieces may not be on the site, you can go to [shopequestriancloset.com](http://shopequestriancloset.com) to shop similar items.

**JACKET:** Charles Ancona jackets are worth the hype. They have the most perfectly tailored fit and make you feel confident in the show ring! | **BREECHES:** These Tailored Sportsman breeches are a classic in the hunter/ equitation ring. | **BELT:** Minimal and sleek, these Ellany belts are great for showing. | **BOOTS:** Tucci boots are easy to break in and are very elegant.

The Ariat Braze Down Jacket is my go-to winter riding outerwear piece. I love wearing this with the Ariat Tri Factor Breeches in navy for a monochromatic look.
